AGENCY COMMENTS:

This position is an Unclassified, Non-Merit, Non-Chapter position under KRS 36.040(1)(r).

DESCRIPTION OF JOB DUTIES:

Serves as the scientific advisor and team leader of environmental programs for Department of Military Affairs / Kentucky Army National Guard Environmental Office at the Wendell H. Ford Regional Training Center (WHFRTC). Provides support and technical training in the interpretation and implementation of environmental protection strategies. Prepare, implement and evaluate Compliance, Conservation and Pollution Prevention programs at WHFRTC. Plan and prioritize projects for budgetary purposes and provide status reports. Manage training site environmental practices and policies to ensure conformance with (KYARNG) Kentucky Army National Guard Regulation 350-7. Supports the Environmental Office with data submissions and required reports. Supervises Environmental Team at WHFRTC through assignment and evaluation of Environmental Program tasks. Coordinate projects, management plans to include the Integrated Natural Resources Management Plan (INRMP) and (GIS) Geo-processing Information Systems support requirements with training site personnel and the Environmental Office. Monitors all construction, field training, operational and permitted activities on WHFRTC for compliance with applicable local, state, federal, and military environmental regulations. Coordinates National Environmental Policy Act (NEPA) environmental conformance review of training site projects. Coordinates with regulatory and conservation agencies for technical and field assistance as necessary. Maintain regulatory inspections. Ensures property book accountability, maintains key control program and evaluates effectiveness. Obtains quotes and submits purchase requests for required projects and equipment. Coordinates with Environmental Office for contract completion. Develops and implements environmental and (EMS) Environmental Management Systems related training. Conducts briefings to incoming troops. Reviews technical and regulatory literature, attends professional meetings and training to update programs. Performs other duties as assigned.
